Subject: Public Comment Form

Below is the result of your feedback form. It was submitted by
(tedrbittner@yahoo.com) on Thursday, January 14, 2010 at 15:35:24

commenter_subject: 10 :1 leverage retail forex

commenter_comments: totally against this, are you trying to destroy
this business ? Are you trying to allow only the
rich people the only ones to trade forex ? Everyone
will have to open overseas accounts and do thier
business elsewhere , is that what you want ?
Ridiculous....focus on fraud and other abuses
